

*Due to the constantly changing nature of the pandemic and city-wide regulations, our policies and procedures tend to change quickly. We are prepared to do what it takes to face this together and we ask for your support and understanding during this uncertain time. Please stay healthy and informed. Thank you for your support and cheers to good health!*

## MASKS ARE REQUIRED WHEN...

Ordering a beer, ordering from Old Gold BBQ, waiting in line or using the restroom, walking around the taproom and patios, and using the dog park.

## MASKS ARE NOT REQUIRED WHEN...

Seated at a table enjoying a beer or eating food.

## UPDATED GROWLER, BULLET & 4-PACK POLICY

*Now that we are able to allow for outdoor beer consumption on our patios and inside the dog park, carryout beer must be taken to-go and is not allowed to be consumed on-site in our parking lot, patios, dog park, or taproom. Carryout growlers, bullets, and 4-packs can be purchased to-go 7 days a week.*

## DRAFT BEER POLICY UPDATES

Until further notice, all patrons now have access to our full draft beer list for consumption inside the taproom, outside on our patios, and inside the dog park.

**See below for details on the updated draft service process:**

- ☐ **STEP 1:** Enter the taproom through our front door entrance and stand in our socially distanced line at the back of the taproom to order.
- ☐ **STEP 2:** Once you reach the front of the line, place an order with our bartenders. Once you complete your order, take your beer to any open table inside the taproom or on one of our patios. If you are planning to go right outside to the dog park, let our bar staff know so they can provide you with a plastic cup. All beer inside the dog park **MUST be consumed in a plastic cup.**
- ☐ **STEP 3:** You must remain seated at a table unless you are in line to order beer/food, waiting in line for the restroom, or utilizing the dog park. Masks are required at all times unless you are seated at a table enjoying beer/food, or drinking a beer in the dog park at least 6ft away from other guests.

## CARRYOUT BEER POLICY UPDATES

- ❑ Carryout growlers, bullets, and 4-packs can be purchased to-go 7 days a week.
- ❑ Patrons are **no longer allowed to consume carryout beer in our parking lot or dog park**. If you would like to enjoy a Metazoa beer outside on our patios or inside the dog park, you must wait in line to order draft beer. If you plan to consume beer in the dog park, please let our bartenders know so they can provide you with a plastic cup.
- ❑ To purchase carryout beer to-go, please wait in our socially distanced line at the back of the taproom to place an order at the bar.

## DOG PARK UPDATES

- ❑ We recently installed an additional ledge around the dog park fence to allow patrons to spread out more and have a place to set their drink(s).
- ❑ Draft beer is now allowed in the dog park, but please keep in mind that you must wear a mask when not actively drinking, keep at least 6ft between yourself and others, and only use plastic cups in the park.

## CLEANING, SANITIZATION & PUBLIC HEALTH PRECAUTIONS

- ❑ We are encouraging our staff members, and we encourage you as well, to stay home if sick and limit your contact with others who may be more susceptible.
- ❑ We will continue to frequently clean and sanitize commonly used surfaces like tabletops, door handles, sinks, the bartop, our point-of-sale systems, etc.
- ❑ We are re-emphasizing regular and thorough hand washing for our staff and servers – especially between cleaning surfaces and glassware, handling cash, and processing transactions.
- ❑ We have several hand sanitizing stations (by the restrooms and front door) for our customers.

## REDUCED CAPACITY & SOCIAL DISTANCING

*We currently have limited capacity to allow for:*

- ❑ Fewer tables, more space between tables, and more outdoor seating areas.
- ❑ A maximum of 6 people per table.
- ❑ A limit of (2) people per dog and (50) total people in the dog park. **Masks are required in the dog park.**
