

Due to the constantly changing nature of the pandemic and city-wide regulations, our policies and procedures tend to change quickly. We are prepared to do what it takes to face this together and we ask for your support and understanding during this uncertain time. Please stay healthy and informed. Thank you for your support and cheers to good health!

MASKS ARE REQUIRED WHEN...

Ordering a beer, ordering from Old Gold BBQ, waiting in line or using the restroom, walking around the taproom and patios, and inside the dog park.

MASKS ARE NOT REQUIRED WHEN...

Seated at a table enjoying your beer.

NEW GROWLER, BULLET & 4-PACK POLICY

Until further notice, we will only be able to fulfill growler, bullet, and 4-pack orders Mondays-Fridays. We will not be accepting growler/bullet fill requests or selling 4-packs on Saturdays and Sundays at this time.

Single-can carryout orders will be available 7 days a week.

NEW INDOOR TABLE SERVICE PROCESS

Until further notice, all patrons interested in access to our full draft beer list for on-site consumption **must claim an indoor table to be served**. All patrons must remain seated at a table unless they are waiting in line to order, waiting for restroom access, or ordering carryout beer. See below for details on the new "indoor" table service process:

- STEP 1:** Enter the taproom through the front door and stand in our socially distanced line to order for indoor dining.
- STEP 2:** Once you reach the front of the line, place an order with our bartenders via a plexiglass window. They will ensure that a table is open/available and will give you a table number.
- STEP 3:** Once you complete your order and close your tab, take your number to any open table **inside the taproom**. When your order is ready, our bar staff will bring your drinks to your table.
- STEP 4:** If you'd like to purchase another drink or visit the dog park, you must have someone from your group stay with the table or give up your table for other guests. **No "inside beer" (draft pours or flights) can be consumed outside the taproom walls.** See next page for "UPDATED CARRYOUT BEER POLICIES."

UPDATED CARRYOUT BEER POLICIES

Until further notice, all patrons interested in carryout beer (bullets, growlers, 4-packs, and single-can purchases) can consume these beverages on-site in the parking lot or take the order to-go. To make a carryout purchase, patrons can place an order by entering the front taproom entrance and ordering at the "Carryout Only" Station.

See below for additional rules & procedures:

- Carryout beer may only be consumed at the picnic tables in the parking lot or to-go. **Carryout beer cannot be consumed on the patios, in the dog park, or inside the taproom at this time.**
- If you choose to consume carryout beer on-site in the parking lot, you must finish your beer before entering the dog park or leaving the premise.
- Until further notice, we will only be able to fulfill growler, bullet, and 4-pack orders Mondays-Fridays. We will not be accepting growler/bullet fill requests or selling 4-packs on Saturdays and Sundays at this time. Single-can carryout orders will always be available.
- No "outside" beer (growlers, bullets, 4-packs, or single cans) may be consumed inside the taproom walls.** See "NEW INDOOR TABLE SERVICE PROCESS" for details.

CLEANING, SANITIZATION & PUBLIC HEALTH PRECAUTIONS

- We are encouraging our staff members, and we encourage you as well, to stay home if sick and limit your contact with others who may be more susceptible.
- We will continue to frequently clean and sanitize commonly used surfaces like tabletops, door handles, sinks, the bartop, our point-of-sale systems, etc.
- We are re-emphasizing regular and thorough hand washing for our staff and servers – especially between cleaning surfaces and glassware, handling cash, and processing transactions.
- We have several hand sanitizing stations (by the restrooms and front door) for our customers.

REDUCED CAPACITY & SOCIAL DISTANCING

We currently have limited capacity to allow for:

- Fewer tables, more space between tables, and more outdoor seating areas.
- A maximum of 6-8 people per table.
- A limit of (2) people per dog and (50) total people in the dog park. **Masks are required in the dog park.**

All patrons must be 21 or older in any of these spaces. See below for a site map key:

ORANGE: Ordering stations and line starting points for indoor table service.

BLUE: Carryout only service station.

All patrons must be 21 or older in any of these spaces. See below for a site map key:

- GREEN AREA:** You can consume carryout Metazoa beer in this designated space.
- RED AREA:** You cannot consume any carryout Metazoa beer in any of these areas.
